25X1

SUBJECT:

Briefing of Soviet Space Activities for
Messrs. Martin Faga and Richard Malow (U)

1. On 4 January 1985,  of the Space Systems Division, Office of Scientific and Weapons Research, presented a briefing on the Soviet space program to Mr. Richard Malow, a Congressional staffer for the House Appropriations Committee, Subcommittee on Independent Agencies, and Mr. Martin Faga, a Congressional staffer for the House Permanent Select Committee on Intelligence. The briefing was arranged by the Office of Legislative Liaison. (U)

25X1

2. Messrs. Malow and Faga were given an overview of Soviet space highlights for 1984, with emphasis on the activities relating to the Soviet space station. More detailed presentations were given on the status of the Soviet space shuttle and spaceplane programs. Projections were given as to when these systems would undergo flight testing, when they would become operational, and what their probable primary missions are. (S)

3. The briefing lasted for approximately an hour and a half, and at the end, Messrs. Malow and Faga expressed their appreciation for our time and effort. (U)
